

# 2011/2012

## Arrival/Dismissal Procedures

Last school year, at the recommendation of our SAC Committee, we established new arrival/dismissal procedures. For the safety of our students, we will continue with those procedures for the upcoming 2011/2012 school year.

**Arrival/Car Rider** - Students may not be on campus prior to 8:00am unless registered in the SPIRIT program. SPIRIT students must be walked to the cafeteria and signed in by a parent. Students not enrolled in our SPIRIT program must be dropped off via our car rider line, in the designated spots, at the front entrance.

Pre K students are required to be walked into the building. Special parking passes will be distributed for use in their designated parking area.

Parents of Kindergarten students may park and walk their child to class the first day of school. The remainder of the week, students may be walked to their designated seating area. After the first week, students must stay in their vehicle through the car rider line and be dropped off, in the designated spots, at the front entrance.

First Grade students may be walked to their designated seating area the first day only.

**Dismissal/Pick Up** - Beginning the first day of school, all parents will remain in their vehicles and come through the car rider line. All vehicles must have the yellow sign (provided by the school on Back To School Night) with their child's name displayed in the front window. Parents will not be allowed to walk up to the front of the school to get their children.

Should your child have a need that requires special arrangements, please contact the office at 721-2140, prior to the start of school.
